

Professional Learning for Classroom Teachers

Before accessing or implementing the Mi-STAR curriculum, teachers need to complete the **Mi-STAR Professional Learning program**. This professional learning for classroom teachers is coordinated and facilitated by Mi-STAR Professional Learning Facilitators.

The **Professional Learning program for classroom teachers** consists of the components listed below. Participants must participate fully in all components. Times listed below are estimates.

- **Mi-STAR Academy Curriculum Primer (online)- 7 hours**
- **Experiential Sessions (face to face)- 7 hours**
- **Mi-STAR Academy Unit Primer for Unit 1 (online)- 6 hours**
- **Ongoing Professional Learning Community (PLC) Sessions during unit implementation (face to face)- 1 hr per session**
- **Mi-STAR Academy Unit Primer for Unit 2 (online)- 6 hours**
- **Ongoing Professional Learning Community (PLC) Sessions during unit implementation (face to face)- 1 hr per session**

Previous experience with **NGSx and/or Modeling in Michigan** is recommended.
